Principals Report

Dear Parents

It has been a busy fortnight with all the students working hard. In class, K-2 have been experimenting to create landforms using water and 3-6 have made sugar crystals and completed 3D cityscapes. The Cullen Kids Chronicle (CKC) continues this fortnight with Ben Pastzor acting as Chief Editor. This is a great opportunity for the students to contribute their ideas and knowledge as well as develop publishing skills.

On Friday, 6th of March we attended Zig Zag PS for the small schools cross country. The students enjoyed the day and students progressing to district cross country include Ben, Jac and Rose. All students enjoyed the day and a great display of photos can been seen on the school noticeboard, inside the main building.

Attached to this week’s newsletter is a letter to inform parents of the National Assessment program (NAPLAN) for all year 3 and 5 students. These tests will be conducted from the 12-14th of May.

Cullen Bullen school is officially on FACEBOOK. Mrs Player has worked hard to establish our Facebook page. I encourage you to like our page and to share with your friends. Our facebook page is a great way for us to widen our circle of influence in the community so that we can let everyone know about our wonderful little school and its learning programs. Please support the page and share with friends.

Please also pay particular attention to our upcoming events column as we have a few events which will be occurring during the next three weeks, making the end of term quite busy. These include: small schools athletics carnival next Thursday 26th; Jenolan cave excursion on Friday 27th ($12); and Easter hat making and Easter hat parade on the 1st and 2nd of April.

Have a great weekend.

Michelle Gallop

Christman Prayers

I’m sitting under the Christmas tree waiting for Santa Claus. Nobody knows I’m sitting here... I pray it works, because I want to be the first one to jump up and say “BOO!” to Santa Claus tomorrow. I think that’s neat! Don’t you? Uh-oh! I hear some footsteps coming down the stairs! It’s only me, daddy. I’m... err... Saying some Christmas prayers!” Oh well, I’ll try again next year!

By Annette Kosseris

The fastest bird in the world is the Peregrine falcon which can fly at a speed of 349 kilometres per hour.

Cross Country Report

I went to Zig Zag school on Friday. I walked with my friend Di. I took photos.

By April Lane

Joke of the week

Why is the longest human nose on record only 11.5 inches long?

Because if it were 12 inches long, it would be a foot!
